Message from the President

Dear Friends,

This year's livestock event will be the biggest and best ever. While the Star of Texas Fair & Rodeo is brought about through the consistent hard work of the staff and volunteers, it is the local communities, 4-H clubs, FFA chapters, Extension Agents, Ag Teachers, parents, and students who put in long hours to produce fine animals to bring to the livestock shows around the state. I am proud that you will be coming to our event and I welcome you to the 2005 Star of Texas Fair and Rodeo.

Our mission is to provide funds and programs that promote youth education and preserve our country's western heritage. You are at the heart of this mission. By raising animals, the youth of Texas learn what it means to stick to something, work hard to reach a goal, and reap the benefits of their labors. We are dedicated to provide this opportunity to more and more young people across the state.

Over the last several years, we have expanded very rapidly moving ever closer to our goal of becoming a statewide event. In fact, our Junior Market Lamb Show and our Junior Heifer Show are already open to the entire state. All other events at our Show are open to the contiguous 120 counties around Travis County. With this rapid expansion, our livestock entries have grown from 600 entries in 1999 to close to 6000 in 2004. While these numbers are impressive, what the Star of Texas Fair and Rodeo is most proud of is the number lives that have been positively impacted through participation in our events.

The many lives of young people, and their families, are impacted not just through involvement in our Show, but through our commitment to provide funds back to those participants. From auction proceeds, livestock premiums, resale checks, and calf scramble certificates, the Livestock Department provides over \$1.1 million annually back to the youth of Texas.

I am honored to serve as President of this organization and I say thank you to everyone who makes this possible. I want to thank the many volunteers who help make the Star of Texas Fair and Rodeo a world-class event. I want to thank the adult leaders from around the state for your dedication to youth education. I want to thank the livestock staff for your many long hours of work to make this event happen. Lastly, I challenge each young person to keep your dreams at the forefront of what you do - always do your best and what is right - and keep a positive attitude. Through everyone's combined efforts, we can all make a difference in someone's life.

Sincerely,

Diron L. Blackburn

20. **Official Protests:** Official Protests must be submitted to the Main Livestock Office in writing and accompanied by a \$300.00 deposit which will be forfeited if the protest is not sustained. Protest must state plainly the cause of complaint or appeal, giving good and sufficient reasons therefore, and must be delivered to the Management immediately upon the occasion for such protest. Any protest not officially filed within 24 hours of the alleged incident may not be considered. These cases are referred to the Executive Committee whom will have full power to act and from whose decision there can be no appeal. Judging procedures will not be interrupted for protest investigation.

The Executive Committee shall have the further right to delegate any or all of the rights, authorities and responsibilities which it has under these Rules to such Show Officials as it deems appropriate

21. **Sifting/Classifying Committees:** Breed Associations and/or STFR will appoint Sifters and Classifiers to inspect animals. Exhibitors must remove blankets from animals at inspection. Animals judged unworthy must be removed. Decisions of the Sifters and/or Classifiers will be final and protests will not be considered. Interference with Sifters and/or Classifiers will not be tolerated. Exhibitors and others are requested not to question their decisions, and to do so may disqualify the exhibitor concerned.

24. **Disqualification:** Should any animal awarded a prize be disqualified, the lower placing animals will NOT move into the higher position.
25. **Liability:** All exhibits will be under the control and direction of the Management, but STFR will in no case be responsible for any loss, injury or damage which may occur. The exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or article exhibited by him/her and for its description as given in the rules. He/She shall indemnify STFR against all legal or other proceedings in regard thereto, as well as any damage or injury to any other person or property, caused by the exhibitor or any of the animals exhibited with such exhibition or any of the animals so exhibited.
26. **Ownership Requirements:** All animals must be entered in the name of the owner(s) as shown on the Registration Certificate. All parties in a multiple ownership must be on the entry form. Firms and partnerships must be in existence at the time of making entry. Custom fitters must be listed on the entry form in the appropriate space.

Purchase, delivery, possession and registration must all take place not less than thirty days prior to the opening day of the General Livestock Show with the exception of the Junior Show. Superintendents will check Original Registration Certificates at time of check-in.

Registration and Health Certificates must be available at all times during the Show. Validation, bill of sale or other proof of ownership may be required for Market Animals.

27. **Animal Care:** All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as STFR does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. STFR does not assume ownership of livestock projects entered in the Show.
28. **Unethically Fitted Livestock & Poultry:** The showing of unethically fitted livestock and poultry, the showing of livestock and poultry of any ineligible age for exhibition in the class entered, or the misrepresentation of breeding or milking status is prohibited.

In addition unethical fitting will be deemed to consist of changing the normal conformation of any part of the animals' body or using drugs, including over the counter and/or extra-label, or mechanical devices to alter the physical makeup and/or performance of the animal. This includes but is not limited to the following:

- a. Animals that are in milk due to an unnaturally induced lactation.
- b. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
- c. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
- d. Minimizing the effects of cramping by feeding or injecting drugs and depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.
- e. Blocking the nerves to prevent limping or switching of the tail.
- f. Striking the animal to cause swelling in a depressed area.
- g. Surgery or other practices performed to change the natural contour or appearance of the animal's body, hide, or hair, except the removal of warts or horns and permitted clipping and dressing of hair and trimming of hooves.
- h. Insertion of foreign material under the skin.
- i. Changing the color of hair at any point, spot or area on the animals' body. Any grooming material that allows color to come off from any animal will not be allowed at the Show.
- j. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus), is prohibited.
- k. The use of alcoholic or carbonated beverages in the feed or administered as a drench.
- l. The use of diuretics.
- m. Administration of a drug internally or externally at the Show.
- n. Administration of a drug internally or externally prior to the Show that does not meet proper withdrawal times as set by the FDA.

All medication administered during the Livestock Show must be administered by the Official STFR Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition.

The Official Show Veterinary, in agreement with the Livestock Manager, reserves the right to treat any animal if, in the opinion of the Official Show Veterinarian it is in the best interest of the animal's health and well-being to be treated. If the Official Show Veterinary administers treatment to an animal and therefore uses any medication that does not meet the appropriate withdrawal time, the animal will be determined ineligible for competition.

The term "drug" shall mean any substance for which the sale, possession or use is controlled by license under federal, state, or local laws or regulation and any substance commonly used by the medical or veterinary professions which affects the circulatory, respiratory, muscular, skeletal or central nervous system of any species of livestock. If drugs are used by an Official Show Veterinarian to treat a recognized disease in market animals, the withdrawal times listed by the drug manufacturer will be strictly followed.

The exhibitor specifically represents that no animal entered by him/her is unethically fitted, and that the breeding age and milking status is correctly stated. All Junior Market and Breeding Animals will be required to have signatures on each entry form stating that the animal was not unethically fitted. These forms must be signed by the following:

- a. Junior Exhibitor
- b. Parent or Guardian
- c. County Extension Agent or Agricultural Science Teacher

All exhibitors are responsible for security of their own animal(s) until they depart for their final destination (processing/ranch).

The exhibitor agrees to submit any animal, breeding and/or market, entered by him/her to inspection by any veterinarian appointed by the Executive Committee and agrees to have such animal submitted to such tests as may be requested at any time. STFR also reserves the right to have ultrasound, D.N.A., blood and/or urine laboratory analysis made on any animal entered for competition. The exhibitor, including his or her parent or guardian or AST or CEA for Junior exhibitors, must be present during the collection for analysis and must witness, seal and initial the sample as well as sign the appropriate sample documentation; thus verifying the sample to be properly collected and prepared for

analysis. The conclusions reached by the veterinarian and analyses shall be final and conclusive without recourse against STFR or any officer, director, or employee thereof or any veterinarian as appointed by the Executive Committee. The exhibitor waives any right of action which he might have for any action taken under this rule, and releases STFR and the veterinarian from any and all claims or demands whatsoever in connection with the inspection or testing of any such animal or any ruling or action taken by reason of the conclusion of such veterinarian.

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals may be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers.

In the event any animal is declared by Show officials, veterinarian or analyzing agency to be unethically fitted, the Executive Committee is authorized to permanently bar the exhibitor and his or her family from any further participation in the STFR. Reinstatement of anyone barred may be made only by a majority vote of the Executive Committee. The exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships if the animal and/or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter.

29. **Testing:** All Quality Assurance Testing, sample collection and laboratory analysis required by STFR, will be paid for by STFR. Payment for any other tests (i.e. blood typing, etc.) required in the Junior or Open Livestock Show will be the sole responsibility of the exhibitor.

Health Papers are NOT required for Junior Market Animals.
31. **Diseased Animals:** No animals having a disease of any character will be admitted to the grounds at any time, and the Superintendents are instructed and authorized to refuse unloading privileges to any livestock, poultry and rabbits having a disease or undesirable ailment. Market/Floor money will be forfeited if the animal is condemned at slaughter.
32. **Veterinarians / Medication:** Animals under the care of a licensed veterinarian and/or taking any type of performance enhancing medication to include, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers, are ineligible for competition. Exhibitors with questions regarding medications and/or eligibility should consult with the Official STFR Veterinarian prior to competition.

For the convenience of exhibitors, STFR arranges to have veterinarians available; however, they do NOT donate their services or medications. Fees should be discussed before treatment.

All medication administered during the Livestock Show must be administered by the Official STFR Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (i.e. including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition.

33. **Breeding Animals:** Animals in the breeding classes must be recorded or accepted for record in the recognized book of their breed. This rule does not apply to the Open Breeding Meat Goat Show. Cattle must be shown with halter and be sufficiently gentle to be properly handled by one attendant on foot except for animals participating in the Texas Longhorn non-halter classes. Bulls over 240 days must have a nose ring or nose lead, all other cattle must have a curb chain, when not tied in stalls. The use of nose leads is encouraged on all bulls. When cattle are not attended by the exhibitor, the cattle must be restrained with halter in the designated cattle tie.
35. **Exhibitor Safety:** If exhibition of an animal poses a danger to the exhibitor and/or other parties, Show Officials reserve the right to: (1) allow a substitute exhibitor or (2) remove the animal from competition.

36. **Nurse Cows:** Nurse cows are NOT permitted.
37. **Barren Animals:** No barren animals are eligible in breeding classes. STFR reserves the right to palpate or semen test.

42. **Photographs:** Exhibitors agree to present their animal(s) at the request of Show Officials for official photographs. All photographs taken by the official photographer(s) become the property of STFR. Unofficial (i.e. personal) photographs may not be published without written approval of Management. Exhibitors wishing to purchase photographs must contact the official photographer.
43. **Signs:** A sign is required over each animal including owner's name and organization, a maximum of 14 x 22 inches. Sign must be provided by the exhibitor and placed above the pen. Management reserves the right to have objectionable signs removed. No sign which refers in any way to a commercial product, including "For Sale" signs, may be placed over any livestock exhibit; such signs will be confiscated.

52. **ANIMAL HEALTH REQUIREMENTS:** Star of Texas Fair and Rodeo officials are allowed to impose animal health regulations that are more restrictive than those imposed by the Texas Animal Health Commission (TAHC). Specific TAHC regulations will supercede the show requirements if there is a dispute between the two in which show rules are less restrictive than TAHC regulations.

The Show considers itself an interstate (accepting entries of livestock and poultry from within Texas and from other states) show for livestock entries. Exhibitors with livestock originating outside the state of Texas are encouraged to contact their state Animal Health officials to confirm specific requirements, if any, their state may impose on animals returning from a Texas show.

Routine Inspection Procedures (What the Exhibitor Should Expect):

- a. Representatives of the Show should meet the incoming livestock vehicle at the Gate 3 check-in trailer.
- b. All documents are to be examined and a visual inspection of the shipment is to be made. Be certain that certificates of veterinary inspection, EIA test information, permits, etc. are still valid. A visual exam of the animals is to be made to ensure that the animals described on the documents are the same as those in the shipment.
- c. If shipments meet all entry requirements, allow the driver to proceed without delay. Return the certificates and other documents to the owner or driver.
- d. If shipment does not meet the requirements, the driver should pull the truck or trailer out of the traffic's way. If animals must be unloaded, they must remain in a separate pen (holding area) away from other livestock. Individuals should be allowed to contact the Show veterinarian or their own veterinarian to obtain proper documents and/or test. Documentation must be in writing - no corrections will be allowed by phone. Fax documents are permissible.

Certificate of Veterinary Inspection must indicate that the accredited veterinarian found the animals or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations or treatments required by the Texas Animal Health Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements.

Prior Entry Permits are required as noted for specific classes of livestock. Permits may be obtained by calling (800) 550-8242 or (512) 719-0777, 24 hours a day, or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P. O. Box 12966, Austin, Texas 78711-2966.

Interstate Show: The TAHC considers shows, fairs or exhibitions to be interstate if they allow livestock and poultry from other states to enter for exhibition and be held or exhibited in common facilities with Texas-origin livestock and poultry of the same species.

Intrastate Show: The TAHC considers shows, fairs or exhibitions to be intrastate if they allow ONLY Texas animals- or if they require Texas livestock and poultry of the same species to be housed and exhibited apart from livestock and poultry from out of state.

Market Animals

All market steers, barrows, lambs, poultry and goats entering all intrastate shows, fairs and exhibitions (those functions that require Texas livestock and poultry of the same species to be housed and exhibited separate and apart from livestock and poultry from out-of-state) are exempt from the entry permit, certificate of veterinary inspection and testing requirements, except poultry which must originate from flocks or hatcheries free of pullorum disease and fowl typhoid or have a negative pullorum-typhoid test within 30 days before exhibition.

Eligibility of individual members of a club or chapter are subject to verification and approval. In no event shall any CEA or AST be considered to be an agent of STFR for any purpose.

Entries in the Junior Show must be made by the CEA or AST under whose supervision the animals were fed and will be returned if submitted by others. The CEA or AST must certify on the entry form that the animal and the owner(s) are eligible under the rules of this Show. It is the responsibility of the CEA or AST to read all rules and check each entry form carefully before signing it. If entries are not correctly submitted they will be returned.

Entry receipts and signatures from 4-H and FFA must come in separate packages with separate checks. Junior entry receipts and signatures must be on current forms with a current Junior Summary Sheet for each club or chapter, listing all owners and their entries along with one (1) check to cover total fees due (entries and passes). Checks for Junior entries must be drawn on 4-H or FFA accounts, money orders, or cashier's checks. Personal checks will NOT be accepted.

5. **Signatures:** All livestock exhibitors must have the required signatures (Exhibitor, AST / CEA and Parent or Guardian) on each Certification of Entry and Acknowledgement of Regulations Form.
6. **Ownership:** Exhibitors must own their animals at the beginning of and throughout the entire feeding and fitting period. Exhibitors must feed, care for, and exhibit their animals without any aid or assistance during the entire feeding and fitting period except from the CEA, AST, Immediate Family Member, or other 4-H or FFA members from the 4-H Club or FFA Chapter from which the animals are entered. Show Management will rule on all issues regarding ownership (i.e. Ribbon, Premium, or Other Auction/Sale).
7. **Ownership/Feeding/Fitting Periods:** The required ownership, feeding and fitting periods are:
 - Market Steers: June 30, year prior to show
 - Market Lambs: October 31, year prior to show
 - Market Goats: October 31, year prior to show
 - Market Barrows: November 30, year prior to show
 - Market Rabbits: February 12, year of show

Market Animals: Validation and/or sales receipt will be used to verify ownership date for market animals.

Breeding Animals: Original Registration Certificates will be used to verify ownership date for breeding animals. Animals must be registered in the Herdbook of their Association in the name of the Junior owner on or before the required ownership date (see below). Purchase, delivery, possession and registration must all take place on or before the required ownership date. Superintendents will check Original Registration Certificates at time of check-in.

8. **Partnerships:** Partnership animals are NOT eligible in the Junior Livestock Show.
9. **Ineligible Animals:** Any animal owned by an ineligible exhibitor is ineligible for competition. Any animal which has sold at auction at any Major Livestock Show is NOT eligible for the Junior Show.
10. **Double Entries:** Animals shown in the Junior Show may also be shown in the Open Show if classes are available. See instructions in the Special Rules of each Department.
11. **Exhibitor Substitution:** Entries in the Junior Show must be shown by their owner. Exhibitor substitutions may be allowed under the following conditions. In all cases, the Department Superintendent must approve the exhibitor substitution and will do so only if all conditions are met.

Substitute exhibitors may show only one animal, in addition to their own project, in each Junior Market Department.

Type A — Other School Activity: This substitution request must be made in writing by the AST/CEA, parent or leader upon arrival at the Show. This request must be made on the Official STFR Exhibitor Substitution Form provided by the Department Superintendent. This request must be accompanied by a notarized statement, signed by a School Administrator, on school letterhead stating the specific reason a substitute is requested. The completed Official STFR Exhibitor Substitution Form and the notarized statement must be returned to the Department Superintendent prior to the start of the respective Show.

Type B — Sickness: This substitution request must be made in writing by the AST/CEA, parent or leader upon arrival at the Show. This request must be made on the Official STFR Exhibitor Substitution Form provided by the Department Superintendent. The completed Official STFR Exhibitor Substitution Form and the Physicians statement must be returned to the Department Superintendent prior to the start of the respective Show.

Type C — More Than One Entry In A Class or the Exhibitor Has Entries In More Than One Department Showing At The Same Time: This substitution request must be made in writing by the AST/CEA, parent or leader upon arrival at the Show or as soon as the problem arises, but in any case no later than the start of the respective Show. This request must be made on the Official STFR Exhibitor Substitution Form provided by the Department Superintendent. The completed Official STFR Exhibitor Substitution Form must be returned to the Department Superintendent prior to the start of the respective Show.

In any of the three (3) situations listed above, or in the case of an emergency, the Department Superintendent may use his own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered, the substitute must be from the same school, FFA Chapter or 4-H Club as the original exhibitor with the following two (2) exceptions.

- a. The original exhibitor is the only exhibitor from that school, FFA Chapter or 4-H Club entered in that Department.
- b. All other members from that school, FFA Chapter, or 4-H Club are exhibiting at the same time.

In either case, any junior exhibitor (meeting all requirements of the Junior Livestock Show exhibitor in the Department entered) meeting the approval of the Department Superintendent may exhibit the animal.

- 12. **Custom Fitting:** Any animal fed or cared for by a custom fitter, at any time during the required ownership feeding and fitting period, is NOT eligible, except in the case of a Junior exhibitor who is a member of the immediate family of a custom fitter. A custom fitter is considered anyone who is not an immediate family member of the family or the CEA or AST. Violators of this rule will be barred from future participation.
- 13. **Animal Care:** Exhibitors must remain in charge of their exhibits and care for them for the duration of the Show.
- 14. **Stalling:** Animals entered in the Junior Show must be stalled or penned in the division set aside for this purpose. Junior Market Steers, Junior Breeding Heifers, Junior Market Lambs and Junior Market Goats are pre-stalled; see Department rules.
- 15. **Weighing:** Steers, lambs, barrows, goats and rabbits will be weighed under the supervision of the Superintendent. This will be the official weight. Re-weighs are NOT permitted. The management reserves the right to weigh-back any animal at any time.
- 16. **Junior Auction Animals:** All placing Market Steers, Lambs, Barrows, Broilers, Roasters, Turkeys, Goats and Rabbits must be sold through the Junior Auction Sale. Grand Champion and Reserve Grand Champion animals are required to be displayed for the duration of the Show under the care of the exhibitor. The Junior Auction Sale is limited to placing animals. Decoration of market animals for the Junior Auction is prohibited; animals must be presented for Auction in their natural show state (i.e. no glitter, paint, balloons, etc. allowed).

17. **Junior Auction Exhibitors:** The Junior Exhibitor must be present for the Auction Sale, unless substitution criteria is met, or that lot may be removed from the auction at the discretion of Show Management.

18. **Junior Livestock Auction Caps:** Livestock Auction Caps are as follows:

Grand Champions

Steers.....	\$25,000
Goats	\$6,000
Hogs.....	\$6,000
Lambs	\$6,000
Roaster	\$3,500
Broilers	\$3,500
Rabbits	\$3,500
Turkeys	\$3,500

Reserve Grand Champions

Steers	\$20,000
Goats.....	\$4,800
Hogs.....	\$4,800
Lambs	\$4,800
Roasters	\$2,500
Broilers	\$2,500
Rabbits.....	\$2,500
Turkeys.....	\$2,500

The Grand Champion of each species must sell for more than the Reserve Grand Champion of its species. The Reserve Grand Champion of each species must sell for more than lower placing animals of its species. In the event that the amount bid for an animal exceeds any of the above auction caps, the excess money will be contributed to the auction cap.

19. **Terminal Shows:** This is a terminal Show for lambs, barrows, goats, poultry, rabbits and all placing steers. All lambs, barrows, goats, poultry, rabbits and all placing steers brought onto the grounds must go to market. Non-placing steers have the option to sell at market price or be released to exhibitors. In the event a suitable resale market is not established for a Junior Market Species, Show Management reserves the right to release all animals back to the exhibitor.

Sift, Non-Place, Premium and Auction Checks: Owners will be paid for sifted and non-placing animals based on weigh-in weight. Checks for sifted and non-placing animals will be mailed to the 4-H or FFA address. A sales fee will be deducted from all resale lots to defray the cost associated with shipping and handling. If applicable, premium monies for class placings will be distributed by STFR and mailed to the 4-H or FFA address. Auction sale checks will be issued by the STFR Junior Livestock Auction and will be mailed separate from premium checks or floor checks to the 4-H or FFA address. Junior market poultry and rabbit owners will not receive a check for sifted and non-placing animals, as cost of shipping and handling exceeds their market value.

Market Animal Disposition

The Star of Texas Fair and Rodeo strives to ensure a fair price for market animal projects. Market conditions may dictate the sale of market animals be conducted through local terminal markets (i.e. sale barns, etc.). STFR reserves the right to charge the exhibitor freight, yardage and any and all marketing fees applicable to the sale of each animal. A sales fee of 5% of the Auction total and floor price will be charged to the seller on all animals sold.

21. **Animal Load-out:** It is the responsibility of each exhibitor to see that his/her animal is received at the load out area and that the entry number is written on the release.
22. **Wholesome Meat Act:** The USDA Wholesome Meat Act applies to all market livestock. Only animals eligible for immediate slaughter may be brought onto the grounds and exhibited:
- a. Animals must be in good health and free of drug or chemical residues.
 - b. Drug label directions for use and withdrawal periods must be followed.
 - c. If drug or chemical residues are found in tissue, the entire carcass may be condemned.

STFR will in no way be liable or responsible for the condition of carcasses or the sale price of the animal. In such cases, the exhibitor forfeits all rights to any and all proceeds including: Auction Price, Scholarships, Premium Awards, Market (Floor) Price and Special Awards.

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply to these animals; however, breeding animals may be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics and pain killers.

23. **Blocking Tables & Trim Chutes:** No Market Lamb Blocking Tables, Market Goat Blocking Tables, Steer Trim Chutes or Junior Breeding Beef Cattle Trim Chutes permitted on grounds. Trim chutes are only allowed during the Open Beef Cattle Show.

31. **Notice to Parents or Guardians of Participants and Participants:** STFR, at its election, may choose to use photographs, video tapes and other likenesses of Participants in future publications including but not limited to, newspapers, magazines, television, promotional literature, World Wide Web (Internet) and STFR programs. 2. Each participant must complete a current Minor's Release. Incomplete and faxed minor releases will not be accepted. All information requested on the Minor Release must be complete, with original signatures (no copies). The Release must be signed by the parents and contestant along with the notary and the County Agent or Ag. Science Teacher. Both parents must sign the Release. However, if the parents are divorced, or if one is deceased, one signature is sufficient, but the notation of "divorced" or "deceased" must be made or the Minors Release will be returned.
3. Contestants will be permitted to catch a calf no more than one (1) time in his/her 4-H or FFA career.
4. The Star of Texas Fair and Rodeo, (STFR) of Austin, Texas will not be responsible for any accidents which may occur to any contestant in the Calf Scramble before, during or after the scramble.

SELECTION OF CONTESTANTS:

1. Contestants will be selected **ONLY** by CEA's or AST's. CEAs and ASTs will then submit selected contestants along with Minor Releases to their Area Coordinator for ASTs or District Administrator for CEAs. The Area Coordinator and District Administrator will submitted the final list of contestants to STFR no later than October 1, 2004.
2. Contestants will be notified through their supervisor of their acceptance and the date and time they are to participate, if applicable.
3. The Interscholastic League State Executive Committee, in cooperation with the State Board of Vocational Education, has formulated a plan to permit calf scrambles and still protect contestant's amateur standing. This is done by placing the matter under the supervision of the Agricultural Science Department of the School and the CEA's, and prohibiting the participants from receiving anything of cash value for winning the athletic part of the program.

ARENA RULES:

1. Contestants will carry into the arena a halter, with attached ten foot rope which will be supplied by STFR. Neither the halter nor the rope may be used as a lariat. The halter must be placed on the animal in the usual way.
2. Contestants may not work as a "team". Each contestant will attempt to catch and halter one of the calves. Each contestant catching a calf is required to lead that calf across the finish line without aid. After placing the halter on the calf, the contestants will not be permitted to fasten the rope to themselves in any manner to aid in leading the calf over the finish line.
3. If a contestant has hold of a calf, no other contestant will be allowed to touch the calf unless it breaks away. If two or more contestants catch the same calf, they will be ordered by the referee to release the calf.
4. If a calf is caught by the tail, the contestant will be allowed a reasonable amount of time to place the halter on; however, at the direction of the referees, the contestant must let the calf go.
5. Poor sportsmanship will automatically disqualify the contestant and undue roughness (i.e. abuse, choking calves, pulling of tails, etc.) will not be tolerated.
6. There will be no less than 8 referees appointed.
7. The Show reserves the right to modify or change any of the arena rules. Notification of any such modification or change will be made to the contestants prior to the scramble performance.

PURCHASE CERTIFICATE RULES:

1. Purchase Certificates issued in the amount of \$1,000.00 (except for special awards) must be used in the purchase of Breeding Beef Heifers that must be approved by the AST or CEA, and used as the contestant's FFA or 4-H project. The contestant must return to the 2005 Show, Junior Breeding Heifer Show.
2. Purchase Certificates will not be issued to the contestant until the contestant submits a sponsor thank you letter to the STFR office. The letter must be submitted to the STFR office in an unsealed, pre-paid postage envelope, addressed to the sponsor.
3. Payment on scramble certificates will not be made to the seller until the ORIGINAL transferred registration certificates and health papers accompany the original scramble certificate are received in the Livestock Office.
 - a. Original Registration Certificates will be used to verify ownership date for breeding animals. Animals must be registered in the Herdbook of their Association in the name of the Junior owner on or before the required ownership date. Purchase, delivery, possession and registration must all take place on or before September 15. Superintendents will check original registration certificates at the time of check-in.
 - b. WHEN RETURNING CERTIFICATES FOR PAYMENT, please follow the following guidelines or payment will be delayed:
THESE DOCUMENTS MUST ARRIVE TOGETHER.
 1. Calf Scramble Certificate: signed by the supervisor, seller, and student.
 2. Original transferred registration papers.
 3. Valid health papers.

NOTE: If a calf scramble certificate from another major Stock Show is being used in addition to the Star of Texas Fair and Rodeo Calf Scramble Certificate to purchase an animal, the original breed registration paper and the health papers must be sent by the breeder or the exhibitor to the Stock Show which takes place the earliest on the calendar year. After the appropriate copies are made, the first Stock Show then forwards the original documents to the other Show(s) whose certificate values were allocated towards purchasing the given animal. The last Stock Show of the calendar year which has provided a scramble certificate towards the given animal shall receive and hold the original documents and forward them to the exhibitor upon completion of their project at all of the Stock Shows involved.

All correspondence should be sent to:
Star of Texas Fair and Rodeo
ATTN: Livestock Department - Calf Scramble
9100 Decker Lake Rd.
Austin, TX 78724

4. Participants will NOT be allowed to purchase animals from themselves, immediate family members or their ranches (family ranches or partnerships), or their Agriculture Science Teacher or County Extension Agent. If livestock is purchased for less than the amount of the certificate, a check will be issued to the seller from the Star of Texas Fair and Rodeo, for the actual cost of the animal only. Checks will not be issued to 4-H Clubs, FFA Chapters, students, parents or supervisors.
5. Winners must submit appropriate entry materials through their supervisor by December 1, 2004, and exhibit their breeding animals at the 2005 Star of Texas Fair and Rodeo Junior Breeding Heifer Show. Certificates may be combined with certificates from other major Stock Shows as long as the animal is brought back to STFR the following year. The original registration papers will be mailed to the exhibitor after the scramble animal has been shown in the STFR breeding Show and the Official Star of Texas Fair and Rodeo Record Book has been received in the Livestock Office.
6. Official Star of Texas Fair and Rodeo Calf Scramble Report Forms and Record Book, obtained from either the CEA, AST or STFR, stating the breed of heifer bought and the progress made, including feed and animal health records, must be prepared by the contestant and submitted to the CEA or AST. The CEA or AST will forward the reports to STFR with his/her recommendations as to whether or not the contestant should receive title to the livestock. The entire program will be under the supervision of the CEA or AST. The Official Star of Texas Fair and Rodeo Calf Scramble Record Book must be either delivered or received by mail, to the Star of Texas Fair and Rodeo Livestock Office by 5:00 p.m. on February 15, 2005. Reports received after 5:00 p.m. on February 15, 2005 will be ineligible for record book awards.

7. Participants who fail to fulfill their obligations as stated in these rules will result in revocation of the Calf Scramble Certificate and will require repayment of certificate value to STFR.

The Interscholastic League State Executive Committee in cooperation with the State Board of Vocational Education has formulated the following model for the Calf Scramble Rules which permits the event, but still protects the participants amateur standing. This is done, as will be noted in the rules, by placing the whole matter under the supervision of the Agricultural Science Department of the School and prohibiting the participants from receiving anything of cash value for winning the athletic part of the program.

- a. A participant shall not receive rewards of any kind for participating in a Calf Scramble.
- b. Special awards may be given for these animals when they are exhibited in competition with other animals, and all awards money and other money derived from the sale of the animal will belong to the participant as a reward for their labor, feed, veterinary, insurance and other costs, after the year's project has been completed and the animal shown at the Star of Texas Fair and Rodeo Livestock Show.
- c. Title to an animal received in a scramble shall NOT pass to the participant catching the calf until the participant has demonstrated under competent supervision their interest in caring for the animal and their ability to follow competent instructions in feeding, grooming and showing said animal. The animal must be returned for exhibit at the next Show, unless circumstances approved by the Livestock Show Management of the Show concerned, and Supervisor make this impractical, before title is turned over to the participant. (For example: The animal may turn out to be unsuitable for the project due to deformity, disease, or other unforeseen reasons, or the student is failing in school).
- d. Animals received in a Scramble will not be allowed to be sold, traded or disposed of except by the consent of the Livestock Show Manager of the Show concerned, and the participants Supervisor. Under no circumstances will a "For Sale" sign be displayed while the breeding project is being exhibited at the Star of Texas Fair and Rodeo Livestock Show.
